Tree Pro 105 Ft. TALL REACH Grapple Saw Package 2003 Kenworth with Palfinger PK72002D Boom with PJ170E Fly Jib Crane

2003 Kenworth with Palfinger PK72002D Boom with PJ170E Fly Jib Crane
25" Mecanil grapple saw gets down the big trees in your customers' yard

Work safely from the ground-send the grapple saw up into the trees!

SAVE time and $ replace 2 men's labor and cut your liability for helpers.

Never a no-show; always READY to GO.

2003 Kenworth chassis is compact for easy in, easy out in customers' driveways and yards.

Only 82,905 miles.

We will include our BIGGEST 25" Mecanil grapple saw so you can tackle the BIG trees.

PK72002D boom with PJ170E fly jib has radio remote and ground controls so you can walk around controlling the action.

This crane lifts 2,160 lbs at 95 feet horizontally and many thousands of pounds overhead (see load chart) with a vertical reach of 105 feet!

We will add a platform holder for your grapple saw.

Free paint job.

Truck will have DOT inspection and crane will have annual OSHA inspection.

Equipped with both upper 5th wheel and rear pintle-ball hitches.

This allows pulling any kind of trailer.

VIDEO AVAILABLE - ask. Thanks.

This is a very nice, extremely powerful and compact tree package.

Investment only $179k delivered

Ask for your credit application today and own it tomorrow.

We appreciate your business!

This powerful, long-reach crane truck can MAKE YOU EVEN MORE MONEY than you think...in addition to tree jobs...you can also perform LUCRATIVE:

Storm cleanup

Setting trusses and roofing

Placing rooftop AC's

Moving machinery

Assisting with log home or metal building construction

You are virtually unlimited and we can provide you free ad sheets for your area to add many more LUCRATIVE crane services to your repertoire!

Our custom cab and crane signs can include all crane services you choose to offer.

Kenworth's 5th wheel pulls our **OPTIONAL** new/used dump trailer. Drop it in on the street. Grapple saw loads limbs with your long reach crane.
